- (d) To the extent permitted by law and any agreement to which the Authority is a party, the Authority shall use commercially reasonable efforts to provide all information within its control requested by the City to the City necessary to effectuate the purposes of this Agreement.

ARTICLE III OPERATION, MAINTENANCE, AND MANAGEMENT OF A PUBLIC LIGHTING SYSTEM

Section 3.1 Operation and Management. Subject to the terms of Section 5.2 and the availability of funding from the City, the Authority shall commence and perform the Services for the Managed System Areas in accordance with Section 3.2. The City shall purchase all electricity necessary to power the System from a third-party power provider. The Authority is not obligated to provide or otherwise arrange for the purchase of electricity on the City's behalf under this Agreement.

Section 3.2 Certificate of Completion. The commencement of the Services by the Authority of the Managed System Area shall be effectuated by the delivery of a Certificate of Completion to the City. The Authority shall deliver such Certificate of Completion within thirty (30) calendar days of acceptance of the work in such area as required by the Lighting Plan and in conformity with the Construction and Financing Interlocal Agreement. The City shall be responsible for all activities required for the proper operation, maintenance, and management of the portion of the System that are not included in any Managed System Area. The Authority's responsibility to provide the Services is only applicable to the Managed System Area. Upon the delivery of a Certificate of Completion, the obligation to operate and maintain any real property, facilities, equipment, or other personal property held and used by the City necessary for the Services in the Managed System Area, including, but not limited to, any part of the System, shall be automatically assumed by the Authority without the requirement of further action by the

Parties. At the request of the City, the Authority shall execute documents that are reasonably necessary to evidence such assumption.

Section 3.3 Service Requirements. The Authority shall ensure that the luminaires, lamps, photocells and lights in the Managed System Area are in operation and emitting light from daily dusk, defined as the half-hour after sunset, to dawn, defined as the half-hour before sunrise, in accordance with the service levels set forth in Section 3.7.

Section 3.4 Outage Reporting System. The Authority shall establish a telephonic and internet reporting system, such that individuals may report outages of any System components in a Managed Service Area to the Authority, and the Authority shall use commercially reasonable efforts to ensure that the individuals that live or work in the geographic area of the Managed Service Area are aware of such reporting system.

Section 3.5 Maintenance.

3.5.1 Routine Maintenance. The Authority shall conduct routine maintenance on an on-going basis according to Industry Practices to ensure that, at a minimum, the System provides the service levels described in Section 3.7. The Authority shall plan and budget for equipment replacement and upgrades based on the expected useful life of System equipment and components based on manufacturer recommendations.

3.5.2 Extraordinary Maintenance. Subject to the payment of funds under this Agreement in sufficient amounts, the Authority shall perform Extraordinary Maintenance as necessary to ensure that, at a minimum, the System provides the service levels described in Section 3.7. The Authority shall make such personnel and equipment available as necessary to respond to and remediate any damage to or failure of the System or any individual System component on an as-needed basis. In the event any portion or individual components of the System are damaged due to the criminal, intentional, or negligent acts of a third party, Authority may, but is not required to, seek such recovery in its own name from such responsible parties.

3.5.3. Maintenance Resulting from Vegetation. In the event that any System asset in the Managed System Area becomes non-functional due to the City's failure to maintain the vegetation on City property, the Authority shall remain obligated to make the repairs it is required to make under this Agreement, provided that the City shall reimburse the Authority for the costs directly related to such maintenance, including the costs of any necessary vegetation maintenance in connection therewith, which payment shall be in addition to the fees and costs set forth in Article IV, upon the City's receipt of invoices therefor and commercially reasonable documentation showing the required maintenance was due to the City's failure to maintain such vegetation.

Section 3.6 Delegation of Responsibilities. Subject to the written consent of the City, which shall not be unreasonably withheld, the Authority can delegate any or all of its responsibilities under this Agreement to a third party contractor. The City shall have fifteen (15) business days from the date of submission of a notice of intent to delegate responsibility under

this Section 3.6 to consent or not to consent to such delegation. If the City does not act within fifteen (15) business days, the City shall be deemed to have consented to such delegation.

Section 3.7 Service Levels. The Authority shall repair any damaged individual System assets, or components thereof, that have been reported as non-functioning within the standard timeframe for such repair, which standard timeframe shall be the standard of DTE Energy for the southeastern Michigan region but in no event more than seven (7) days, of receiving such report of non-functionality, provided that if such damage cannot be reasonably repaired within such timeframe, then the Authority shall commence such repair within such timeframe and diligently prosecute such repairs until completion.

Section 3.8 Asset Management. The Authority shall operate and maintain the assets of the Managed System Area according to Industry Practices. Inspections and testing of the System components shall occur no less than once every six years. Structural inspections and risk assessments will be conducted on a rotating basis of distinct geographical portions of the System every three years. The Authority shall maintain an asset management database that includes, at minimum, the following information: the location and installation dates of all poles and components; the results of any inspections, testing, and risk assessments of the System components; the expected useful life of each of the components of an individual pole; the projected inspection and testing date of each component; the type and technical detail of each component; and an incident record of each occurrence that requires Extraordinary Maintenance, the type and costs of repairs performed, and any third parties that may be liable.

ARTICLE IV BUDGETS AND FINANCING

Section 4.1 Operation and Management Fees and Costs. The City shall pay the Authority the following amounts for the Services, provided that in no event, shall the City be obligated to pay more in any given year than \$8,024,000 (the “Annual Cap Amount”), excluding any payments for Extraordinary Maintenance:

- (a) Operations and Maintenance Costs: \$9.62 per month per Overhead-Fed Streetlight, and \$17.66 per month per Underground-Fed Streetlight.
- (b) Extraordinary Maintenance Costs: The actual costs of any Extraordinary Maintenance performed during the second previous quarterly period, such that the City will pay the Extraordinary Maintenance costs performed for the period of January through March of any year on the Quarterly Statement for the July through September quarter of that year.
- (c) Administrative Costs: One Hundred and Twenty-Six Thousand and Two-Hundred and Fifty Dollars (\$126,250) per month for the operation of the Authority.

The amounts to be paid under this Section 4.1 shall increase annually by the lesser of (i) three percent (3%) or (ii) the percentage increase in the CPI over the prior year.

Section 4.2 Calculation of Quarterly Costs. No later than thirty (30) days prior to the first date of each fiscal quarter (defined as January 1, April 1, July 1 and October 1 of each

calendar year), the Authority shall submit a statement to the City estimating the costs to be paid by the City for such fiscal quarter pursuant to Section 5.1 (the "Quarterly Statement"). The Quarterly Statement shall include detail of the fees for such fiscal quarter, including the number and type of Streetlights expected to be serviced, broken out by each of the cost categories in substantially the form provided in Exhibit B.

Section 4.3 Adjustments to Quarterly Statements. To the extent the Authority deems it necessary to adjust any of the Quarterly Statements to address a change in circumstances outside the Authority's reasonable control, it shall submit such revisions to the City Council and the Mayor or their respective lawful designees (the "Approving Entities") for their approval, which approval shall not be withheld, except in the reasonable discretion of the Approving Entities. The Approving Entities shall have fifteen (15) business days from the date of submission of the revisions under this Section to approve or disapprove the revision. If either of the Approving Entities does not to disapprove the revision within fifteen (15) days, the revision shall be deemed approved.

Section 4.4 Limited Obligations. Nothing in this Agreement, including but not limited to this Article IV, shall require the Authority to pay the costs associated with the performance of any Services or other obligations under this Agreement from Utility Revenues.

ARTICLE V PAYMENT

Section 5.1 Payments.

Section 5.1.1 Budgeted Payments. At the beginning of each fiscal quarter (which shall be January 1st, April 1st, July 1st, October 1st of each calendar year), the City shall pay the Authority the amount for such quarter set forth in the Quarterly Statement provided pursuant to Article IV, such that the City shall pay on January 1, 2014 the budgeted amount for January, February and March 2014. The City shall pay such payments by check, payable to the Public Lighting Authority, which must be received by the Authority by the fifth (5th) business day following the beginning of the fiscal quarter. Any payment not received by the fifth (5th) day following the beginning of a fiscal quarter shall be subject to a ten percent (10%) late payment penalty.

Section 5.1.2 Quarterly Reconciliation. Within ten (10) days after the end of each fiscal quarter (which shall be March 31st, June 30th, September 30th and December 31st of each calendar year), except for the fiscal quarter coinciding with the Authority's fiscal year-end, and within thirty (30) days after the Authority's fiscal year-end, the Authority shall provide to the City a detailed reconciliation of the actual out-of-pocket costs and expenses incurred by the Authority in the performance of the Services for such fiscal quarter based on the actual number of Streetlights serviced. If the reconciliation discloses an overpayment by the City for the previous fiscal quarter, the Authority shall credit the difference to the City against the next amounts that may become due under this Agreement. If the reconciliation shows an underpayment by the City for the previous fiscal quarter, the City shall remit the difference to the Authority within fifteen (15) business days of such reconciliation pursuant to the procedures set forth in Section 5.1.1; provided, however, that, in no event, shall the City be obligated to pay

more in any given year than \$8,024,000, excluding any payments for Extraordinary Maintenance. In no event shall the Authority perform any Services under this Agreement once the cumulative costs for a given year submitted by the Authority in the Quarterly Statements for such one year period equal the Annual Cap Amount unless the City has agreed in writing to pay the Authority for such costs above the Annual Cap Amount pursuant to the payment procedure set forth in this Agreement or the Authority has otherwise identified and earmarked available sources of revenue to pay for those Services in excess of the Annual Cap Amount. In the event that the City determines that it, in good faith, believes that the reconciliation does not fully and accurately set out the actual out-of-pocket expenses of the Authority that the City is responsible to reimburse pursuant to this Agreement, it shall provide notice to the Authority within fifteen (15) business days of receipt of the reconciliation, and such dispute will be reconciled pursuant to the procedures set forth in Article X. If the City provides notice of such dispute, the City shall remain obligated to pay any undisputed amounts required pursuant to this Section 5.1.3, and the City shall deposit the maximum disputed amount in escrow pending resolution of the dispute.

Section 5.2 No Service Without Payment. In the event that the City does not make a payment pursuant to Section 5.1 or otherwise due hereunder, the Authority shall not perform the Services until such time as the City has made such payment; provided, however, (i) if there is a good-faith dispute about the amount owed pursuant to the reconciliation procedure set forth in Section 5.1.2, then the City's delivery of the contested amount to escrow rather than the Authority pursuant to the terms herein shall not permit the Authority to cease performing the Services until such time as the dispute is resolved and (ii) the Authority may perform Services following a nonpayment by the City but only if it has identified and earmarked available sources of revenue other than the Utility Revenues. In the event the City makes any payments less than the amounts included in the Quarterly Statement, as may be revised pursuant to this Agreement, the Authority is authorized to apply any payments to and continue that portion of the Services it deems to be the highest priority and is excused from providing any other Services.

Section 5.3 Other Revenues. The Authority shall not be entitled to any revenues arising from pole attachment fees, lease payments, or other payments for the use or right to attach property to any System assets.

ARTICLE VI

DATA SHARING, ACCESS, COOPERATION, AND SYSTEM DAMAGE

Section 6.1 Data and Information. To the extent permitted by law and any agreements to which the City is a party, the City shall provide the Authority full access to all data and information in its possession or control, which is reasonably accessible, including all data and information contained in the documents commonly known as the "series streetlight maps," necessary to provide the Services. To the extent permitted by law and any agreements to which the Authority is a party, the Authority shall provide the City full access to all data in the Authority's possession or control, which is reasonably accessible, reasonably related to the System.

Section 6.2 Access to Assets. The City hereby grants the Authority a license to access all facilities, assets, easements or appurtenances owned, operated, or maintained by the City's

Public Lighting Department or any other City department necessary to provide the Services. The Authority may only use such license for the performance of its obligations pursuant to this Agreement and all activities reasonably related thereto. In using such license, the Authority shall not interfere with the City and its representatives, contractors or employees in the performance of their duties. The Authority shall permit the City full access to all facilities, assets, easements or appurtenances owned, operated, or maintained by the Authority related to the System, if any, and shall not impair access to any public rights of way.

Section 6.3 Cooperation. The Parties hereby agree to cooperate with each other to the fullest extent possible to effectuate the purposes of this Agreement.

Section 6.4 Permits. The City shall process and issue any permit(s) required under City Charter, City Code of Ordinances, or any other local regulatory requirements to the Authority, its employees, agents, or contractors within fifteen (15) business days of receiving a request for such permit(s) provided that such request includes the detail and documentation otherwise required to issue such permit; *provided, however*, that if there are any permit(s) required to conduct any work specified herein that are not within the direct control of the City, the City shall use commercially reasonable efforts to ensure that such permits are issued within a commercially reasonable timeframe. The City shall not charge a fee to the Authority for any permits, approvals, reviews, or other actions required by the City, but in the event that the City does charge a fee to the Authority, such fees can be included as a cost to be reimbursed by the City pursuant to this Agreement.

Section 6.5 System Damage. The Authority shall not be responsible for any damage to the System, or any component thereof, resulting from the criminal, intentional, or negligent acts of any third parties, except for its maintenance obligations set forth herein that are fully compensated pursuant to this Agreement. In the event any portion of the System or Improvements are damaged by the negligent acts of a third party and the City refuses or is unable to seek recovery of funds for such damage, the Authority may, but is not required, to seek such recovery in the City's name.

Section 6.6 System Status Meetings. The Parties shall meet monthly to review data and information relevant to the entire System. Such meetings shall include a review of system outages, Extraordinary Maintenance issues and updates, any outstanding financial issues, and any other issues relevant to this Agreement.

ARTICLE VII

Section 7.1 Effective Date. This Agreement shall become effective on the later date that each of the following events have occurred: (i) the approval and execution by the City; (ii) the approval of the Agreement pursuant to the procedures set forth in the EM Act; (iii) the approval of the Agreement by resolution of the Authority; and (iv) the execution by the Executive Director of the Authority (the "Effective Date").

Section 7.2 Term. This Agreement shall commence on the Effective Date and shall continue for a period of three years. This Agreement shall automatically renew for additional three-year terms unless the non-renewing Party provides notice to the other Party of its intent not to renew no later than one year prior to the expiration date of a term. The non-renewal of the Agreement shall be approved by the same process as is required to terminate the Agreement under Section 7.5.

Section 7.3 Default.

Section 7.3.1 City Default. The City shall be in default of this Agreement if the City does not make the payments required hereunder, whether in whole or in part, including any late payment penalty authorized under Section 5.1.1, within ten (10) days after the due date set forth in Section 5.1; provided, however, that the City shall not be in default hereunder if the City is in good faith contesting the amount of such payment pursuant to Section 5.1.2.

Section 7.3.2 Authority Default. Subject to Section 5.2, the Authority shall be in default of this Agreement if the Authority fails to perform any of its obligations hereunder after the Authority has received thirty (30) days' notice of such default, provided that if such failure cannot be remedied within such thirty (30) day period, the Authority shall not be in default if it commences to remedy the default and diligently pursues the remedy to its completion.

Section 7.4 Remedies upon Default.

Section 7.4.1 Remedies for City Default. Upon the occurrence of a default by the City under Section 7.3.1, the Authority shall first satisfy itself from funds paid in advance to the Authority pursuant to Section 5.1. In the event such amounts are not sufficient to cover all payments then due to the Authority, this Agreement shall immediately terminate upon notice from the Authority, provided that if such default is cured by the City at any time during the thirty (30) consecutive days immediately following termination of this Agreement, such termination shall be deemed void and of no further force or effect, provided that the Authority shall have no obligations hereunder, financial or otherwise, during such period when the City's default remains uncured or during the 10 day grace period set forth in Section 7.3.1

Section 7.4.2 Remedies for Authority Default. Upon default by the Authority under this Article VII, the City may, at its sole option, (i) perform such obligation of the Authority without further notice, and the Authority shall reimburse the City for all costs incurred by the City in such performance, but in no event shall the Authority be required to reimburse the City any amount in excess of the amounts paid to the Authority in advance pursuant to section 5.1.1; or (ii) terminate this Agreement by providing thirty (30) days' written notice to the Authority of the City's intent to terminate, which notice shall describe in detail the Authority's default; provided that, if the default is cured by the Authority at any time during the thirty (30) day notice period, the notice shall be deemed void and of no further force or effect.

Section 7.5 Termination for Convenience. Either Party may terminate this Agreement, for any reason or no reason, with one year advance notice that is approved by a two-

thirds vote of the governing body of the Party. If the terminating Party is the City, then the approval of the Mayor is required in addition to the vote of the City Council.

ARTICLE VIII BOOKS, RECORDS, AND FINANCES

Section 8.1 Books and Records. The Authority shall provide for a system of accounts for the Authority to conform to a uniform system required by law and for the auditing of the accounts of the Authority. The Authority shall obtain an annual audit of the Authority's books and records by an independent certified public accountant and report on the audit and auditing procedures in the manner provided by sections 6 to 13 of the uniform budgeting and accounting act, 1968 PA 2, MCL 141.426 to 141.433. The audit also shall be in accordance with generally accepted government auditing standards and shall satisfy federal regulations relating to federal grant compliance audit requirements. The audit shall be provided to the City within thirty (30) days of acceptance by the Board of Directors of the Authority but in no event more than one hundred and twenty (120) days following the end of the Authority's fiscal year. The City may examine the books and records of the Authority related to the Authority's finances or the System and make copies and extracts therefrom at its own expense, all during regular business hours as may be reasonably requested and reasonably agreed to by the Authority in advance.

Section 8.2 Enterprise Fund. The Authority shall maintain its books and records and its funds on an enterprise fund basis. The Authority shall not pay any net proceeds or profits to its local government, other than for services received by the Authority.

ARTICLE IX INDEMNIFICATION, LIABILITY, DAMAGES, NOTICE, AND INSURANCE

Section 9.1 Indemnification. To the extent permitted by law and subject to Section 4.4, each Party shall indemnify and hold harmless the other Party and the other Party's employees, agents, directors and officers against all liability arising out of, or resulting from any third party claim, suit, action or proceeding arising out of or resulting from (i) the failure of a Party or any of its agents, employees or contractors, to comply with the terms of this Agreement or any applicable law; or (ii) any injury, loss, claim or damages arising from the actions or omissions of a Party or an agent, employee, director, officer or contractor of the Party.

Section 9.2 Limitation of Liability; No Special Damages. Notwithstanding any other provision of this Agreement, neither Party shall be liable to the other for any damages for loss of profits, loss of revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement services, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Agreement. Nothing in this Agreement shall be construed as a waiver of governmental immunity, where applicable.

Section 9.3 Notice of Claims. If either Party becomes aware of any injury, damages, claim, demand, action, legal proceeding, or other loss that may involve the other Party, whether

directly or indirectly, it shall inform the other Party in writing within fifteen (15) business days of receiving knowledge of the injury, damages, claim, demand, action, legal proceeding, or other loss.

Section 9.4 Insurance. At all times during the term of this Agreement, each Party shall procure and maintain, at its sole cost and expense, the following types and amounts of insurance coverage issued by an insurance company reasonably acceptable to the other Party, unless otherwise agreed to by the Parties in writing:

- (a) Commercial general liability, covering bodily and personal injury, property damage, and contractual liability insuring the activities of the Party under this Agreement, in a minimum amount of One Million Dollars (\$1,000,000) per claim and Five Million Dollars (\$5,000,000) in the annual aggregate, adding the other Party as an additional insured with respect to this Agreement.

The insurance required of the City by this Agreement in the amounts, with the coverage and other features herein required, may be supplied by a fully funded self-insurance program of the City or a self-insurance pool in which the City is a participant; provided that such self-insurance program or pool will provide the full coverage required herein.

ARTICLE X DISPUTES

Section 10.1 Informal Dispute Resolution. The Authority and the City will attempt to settle any dispute through informal good faith negotiations. The dispute will be escalated to appropriate senior level management of the Parties, if necessary. Except as otherwise set forth herein, if such managers are unable to resolve the dispute within fifteen (15) business days of referral (or any other mutually agreed upon timeframe), the Parties will seek resolution of such disputes pursuant to Section 10.2.

Section 10.2 Jurisdiction and Venue. Except as otherwise set forth herein, in the event of any disputes between the Parties over the meaning, interpretation, or implementation of the terms, covenants, or conditions of this Agreement, the matter under dispute, unless resolved any the Parties pursuant to Section 10.1, shall be submitted to the courts of the State of Michigan.
